

One of the most popular events held in conjunction with dog shows around the world is "Meet the Breeds". At larger shows like Westminster Kennel Club Dog Show held in New York each year, "Meet the Breeds" is actually a major part of the show.

Locally The Kennel Club of Greater Victoria and the San Antonio Kennel Club, in combination with this year's dog show, will sponsor this special event called "Meet The Breeds" that offers pet lovers a unique opportunity to see some of the our breeds. Spectators can talk to responsible breeders or owners about these amazing animals and determine the right breed for their lifestyle while more than 1,000 other pedigree dogs will be competing in the various show rings. This amazing opportunity is free and open to the public at the Alamo City Cluster Dog Show Friday and Saturday, March 7th and 8th in the Exposition Building at the Joe & Harry Freeman

Coliseum located at 3201 E. Houston Street in San Antonio, Texas 78219.
